Outstanding reviewers 2023

The following reviewers have been nominated to receive “Outstanding Reviewer” certificates.

These reviewers excelled in both the quantity and quality of the reviews. In nominating these reviewers, the Associate Editors made one or more of the following statements:

“Reviewer always responded timely and provided high-quality review comments that were insightful for me as well as for the authors.”

“Reviewer was proficient in delivering comprehensive assessments of the contributions made in the papers. He consistently meets deadlines and ensures timely completion of the reviews.”

“Reviewer consistently responds promptly to invitations. His assessments are pertinent and thorough.”

“His insightful critiques, attention to details, and promptness in completing reviews significantly contribute to aiding authors in improving their work and therefore, the quality and rigor of the Journal.”

“Reviewer’s feedback is constructive, actionable, and helps authors improve their papers.”
