

**IEEE Transactions on Sustainable Energy**  
**Outstanding reviewers 2024**

The following reviewers have been nominated to receive “Outstanding Reviewer” certificates.

These reviewers excelled in both the quantity and quality of the reviews. In nominating these reviewers, the Associate Editors made one or more of the following statements:

*“The reviewer consistently provides timely and insightful review comments that benefit both the editor and the authors.”*

*“The reviewer demonstrates expertise in delivering comprehensive assessments of the contributions made in the papers. They consistently meet deadlines, ensuring timely completion of the reviews.”*

*“The reviewer promptly responds to invitations to review. Their assessments are relevant and thorough.”*

*“The reviewer’s insightful critiques, attention to detail, and timely completion of reviews significantly contribute to assisting authors in improving their work, thereby enhancing the quality and rigor of the journal.”*

*“The reviewer’s feedback is constructive, actionable, and enables authors to refine their manuscripts effectively.”*
