

**Now Accepting! Nominations for
IEEE PES Officers Positions (2028-2029)**

The IEEE Power & Energy Society (PES) Nominations & Appointment Committee is [accepting nominations for the following PES Officer Positions](#).

- PES President-Elect
- Secretary
- Treasurer

These individuals will serve on the PES Governing Board & Executive Committee in 2028-2029. The PES President-elect will serve as PES President in 2030-31.

In order to be considered, the individual must be an active PES Member and IEEE Senior Member or Fellow Grade. Additionally, the candidate for PES President-elect must have served on the PES Governing Board. The qualifications and job descriptions for these positions are noted in [Section 2 of the PES Operations Manual](#).

Candidates recommended by the PES N&A Committee will be presented to the PES Governing Board for approval in January 2027. The PES Election will take place in August/September 2027.

We encourage you to submit your name, or the names of those you believe are qualified to serve on the PES Governing Board. **Nominations are due no later than 1 September 2026.** Please contact PES (pes@ieee.org) if you have any questions or comments.
